Dear Community Supporter:

The Tour de Rocklin is a new, exciting and fun community-centered cycling event that will be held on Saturday, October 17, 2009. Families and dedicated cyclists of all levels will be able to ride designated routes throughout the city of Rocklin, choosing from a five-mile family ride, as well as ten, twenty or forty mile routes. After the ride, cyclists will enjoy a box lunch at Whitney Ranch Park.

Tour de Rocklin is a non-profit organization which is working with the Rocklin Education Excellence Foundation (REEF) to raise funds for the Rocklin Unified School District educational programs. All proceeds from the ride will be given to REEF to distribute to the 15 schools within the school district to help meet on-campus student technology needs.

As the first annual Tour de Rocklin, we hope this benefit ride will become a much-anticipated community event, where Rocklin families can exercise together, see their neighbors and friends, and raise funds for our school system. Cyclists from all over the Sacramento-area will also be discovering the beauty and special qualities of Rocklin as they ride throughout our community.

To accomplish this, we need your help. Please consider becoming a Sponsor of the Tour de Rocklin and showing your support for our community and its excellent school system. All donations are tax deductible. Your name or company logo will be featured on the back of our Tour de Rocklin t-shirt. Our Federal Tax Number is 01-0922586. Please make your check payable to Tour de Rocklin. Please call 916.434.6636 with any questions. Thank you.

---

Yes! I would like to be a Sponsor of the Tour de Rocklin.
